

High School Cancer Masterclass (HSCM)

Director of HSCM

Position Description

REPORT TO: President

TIME COMMITMENT: 2-6 hours/week

LENGTH OF TERM: 12 months

What you will get out of it

- Leading and directly contributing to an initiative which reached over 100 Victorian high school students in 2019
- Learn and develop skills in project management, presentation, and leadership
- Become eligible for an ACHSC executive position in 2021

Key roles and responsibilities include

- Developing and expanding the existing HSCM curriculum
- Liaising with high school teachers to coordinate HSCM program logistics
- Recruiting and training a team of HSCM tutors
- Collaborating with the High School Cancer Competition team to compile the 2020 High School Cancer Competition paper

Key Characteristics

- Organised and ability to meet deadlines
- Professional written and verbal communication skills
- Experience in high-school or university tutoring preferred but not essential

The ACHSC hopes to nurture a generation of cancer-literate individuals armed with the knowledge to make a substantial contribution towards realising a world free of cancer.
